A GLIMPSE OF HISTORY

The company has been established by Mr. Willem Dalmulder (R.I.P) in late 2000 as a family owned business. Therefore, from the very beginning the main focus was on long-lasting relationships with clients and continuity of company services. Other operational names of the Company included D.T.S (Dalmulder Transportation Services), LEONDA and were later submerged under the name of SUNRICH. Sea transportation was the initial main activity in the beginning, however the variety of the services has been quickly broadened with focus on SHIP REPAIRS shipbuilding and marine construction.

Company Profile: SUNRICH SHIPMANAGEMENT PVT LTD

Year 2013 was both hard and challenging for the company. It also saw the change of company CEO. Mr. Denis Bronstein took over the wheel and began the process of diversification of industries the Company has been involved into. While the main company scope continued to be shiprepair & shipbuilding sectors, other industries like H&R, Metal constructions, Surveys, Ship Agency have been emerged.

Moreover, we have also become a part of Netherlands based NNAM B.V. (As NNAM Baltic UAB), involved in insuring Marine and Non-Marine risks.

As per our motto – in time with business – we see ourselves as an innovative company that evolves together with the fast-changing business environment, however always respecting to our roots, partners and beliefs.

SUNRICH grew bigger with every year and is counting up to 180 employees, who work on important projects in Lithuania, Latvia, Estonia, Belgium, Sweden, Germany, Cyprus, Ghana and other countries.
